

Child Friendly Safeguarding Policy

What is Child Protection about?

All of the adults around you think that your health, safety and wellbeing are very important. In our school, we respect our children and help to protect their rights.

We do our best to help children make good educational progress to become the best they can be.

We teach children how to recognise risks in different situations, and how to protect themselves and stay safe. This includes what to do if you feel bullied and how to keep safe online.

How will we try to protect children?

We try to provide a safe environment for children to learn in;

We want to help to ensure that children remain safe, at home as well as at school;

We think it is important for our children to know where to get help if they are worried or unhappy about something.

You can talk to any adult in school if you need to.

What you can do?

Get your voice heard, tell an adult when you have ideas on how to improve the school, speak out in pupil voice groups (Article 12);

If you are worried about anything or think someone is getting bullied, tell an adult – we are a telling school where everyone has the right to be safe (Article 19);

Try your best to care for one another and be the best you can be (Article 29)

Mr Owen and Mrs Barrow are the lead Child Protection Officers in Bishopston Primary School
